About Us

BYB is the initiative that offers you an easy transition for your internship abroad.

BYB takes into account your **academic background** and **personal fit** in order to offer you your first **professional experience**.

BYB offers you more than just an internship. You will have the opportunity to **integrate your Know-How** in day to day activities and help **optimize** them.

Our goal is to enable you a smooth transition between your home country / university and the institution in Bolivia.

Are you a **dynamic, motivated** and **curious** person, ready to gain new experiences?

If you are at your 2nd Semester or higher, regardless of your degree program and have Spanish language skills, **then BYB is for you!**
